AMENDMENT

Sir:

By an Office Action mailed June 10, 1999, a requirement for correction in accordance with the nucleotide and/or amino acid sequences requirement was made. A one month shortened statutory period was set to expire July 10, 1999. Request is herein made for a three month extension of time, extending the response due date to October 10, 1999. The extension fee accompanies this request. Further, a paper copy of the sequence listing together with a statement pertaining to the
